

PROTEST THE PILL DAY '09

THE PILL KILLS WOMEN

Denouncing the U.S. Supreme Court *Griswold v. Connecticut* decision, which decriminalized poison in the form of a pill.

Join American Life League for the nation's largest protest against the birth control pill and other birth control products on **Saturday, June 6.**

Help us unmask the truth and hopefully save lives. You can do this by having a presence outside of doctors' offices, pharmacies, Planned Parenthood clinics and other family planning facilities, or even out on the sidewalk at a busy intersection. Wherever it is — help get the word out!

American Life League can provide you with the T-shirts and signs you'll need as well as "Talking Points" to help you answer questions on how the pill can in fact kill women!
